CARBON TRUST

Making business sense of climate change

Energy Technology List

The Carbon Trust hereby certifies that

HY-SAVE (UK) Ltd

AUTHORISED USER NUMBER 327

has been authorised to use the ETL symbol to endorse their qualifying products that meet the energy saving criteria published on the Energy Technology List (**http://www.eca.gov.uk/etl/**).

Name **ECA Scheme Administration**

Position

Date **09 June 2005**

For and on behalf of the Carbon Trust

This certificate is only valid together with the corresponding licence agreement, which is issued by the Carbon Trust on an annual basis. Current approved manufacturers and energy saving technologies and products are listed at **http://www.eca.gov.uk/etl/**.

The ETL symbol is a UK registered certification mark of the Carbon Trust.
